

LIBERTY
ELEMENTARY

School Advisory Council (SAC) Meeting Minutes - Tuesday, May 21, 2019

Location: Room 135 ~ Time: 7:40 P.M.

- I. Welcome – Mrs. Valentino called the meeting to order at 7:46 A.M.
- II. Previous Meeting Minutes – Ms. Weber shared copies of the minutes from the previous meeting. Ms. Ojeda motioned to approve. Mrs. Valentino seconded.
- III. Principals Update – Mr. Levine thanked the members in attendance for their support of SAC. He thanked the PTA for all of their support and welcomed Ms. Ojeda and her new board for the upcoming school year. The FSA testing is complete and we are eager to get the results. Grade 3 results should be in soon and will be our first indicator if we are on track to improve our school grade. Our PE coach has jumped right in and has planned field days for all of our grade levels. Please spread the word, we could use a few more volunteers to assist during the last few field days. We finished our final STEM nights for the year. A special shout out to Dr. Paraiug and all of her hard work. The biggest thank you goes to all of our staff, over 90% of our staff attended STEM nights to help their students showcase their learning. We will continue to build upon our STEM successes next year. School Safety update – Logos are being painted on wall in the classrooms with the identified safe spaces. Right now they are working in rooms with one entrance and no windows. It is a collaboration with the Margate Police Department and Broward County Schools. We are awaiting to find out if the will fund the campus monitor, if not we will continue to pay for that position from our budget. We are fortunate to continue to have two SRO's here at Liberty. One full time and one part time. We appreciate everything they are doing for Liberty. We continue to do our monthly safety drills and we will have a code red drill on Wednesday. Mr. Levine also shared that he will be transferring to another school for the upcoming year. A letter will be going home to the parents in the upcoming week.
- IV. Equity Updates – This has been our first year that we are working on integrating diversity and multi-cultural education into our daily teaching. We have celebrated black history month, women's history month, and incorporated equity into our field days. We are going to continue to implement this next year in a bigger and better way. Mr. Robinson and PTA have volunteered to assist with multi-cultural celebrations next year.

- V. Title I Updates – Ms. Styles shared with the group that our Title I e-binder is complete. Next year our goal is to work on marketing so we may reach more parents to attend SAC meetings and Title 1 events. This year more parent link messages were sent in Spanish and we will add Creole messages as well.
- VI. PTA Updates – Ms. Ojeda shared that she is the new president for the upcoming school year. PTA purchased the cups and coolers for the field days and they will house them for upcoming school events. She has already contacted the fundraising companies to get a jump start on next year's fundraising. This summer the board will meet and will create a calendar for the upcoming year.
- VII. Upcoming Events – The fifth grade students will have their DARE graduation, picnic, and the final walk through the school before they leave us.
- VIII. Other Information – On behalf of the SAC committee, we would like to thank Mr. Levine for all of his support and wish him nothing but success in his future school.
- IX. Meeting Adjourned – Mrs. Valentino concluded the meeting at 8:08 A.M.
