Call to Order:

A meeting of the Liberty Elementary School Advisory Forum was held in Room 135 on 10/23/18. Ms. Ojeda called the meeting to order at 2:45 p.m.. Ms. Styles will record minutes for this meeting.

New Business:

Welcomes and introductions were made for this initial brief meeting. Mrs. Ojeda opened the meeting with the discussion of the school safety plan and stated that school safety is still a concern of parents and the community. Ms. Styles distributed copies of the 2018-2019 safety plan to all in attendance. She explained that although the plan was finalized, modifications would be made as needed. Code Red drills will be conducted on a monthly basis in all Broward schools. Ms. Styles also stated that as everyone can see, the front and back gates are always manned when opened. The school is looking for a funding source to keep the gate open constantly. The constantly going back and forth to open and close the main gate is taxing on the office staff and an inconvenience to the parents. All in attendance, reviewed the safety plan and a brief question and answer ensued.

Next Meeting Date and Time:

The next meeting will be held on November 14, 2018 at 8:30
