SAC Meeting Minutes

- **Welcome Back! Introductions**
- **Principal's Updates – C. McGuire**

Mr. McGuire, Application for fulltime enrollment will open on March 18, 2019. We will have an open house on March 19, 2019, from 10:00am – 11:30am. BVS Japanese Teacher, Satoko Fisher, was one of five finalists for teacher of the year for Broward County. Though she did not win, being nominated as finalist, is a recognition on it's own.

Mrs. Ochipinti, Attended the Soccer Academy APT organization event. And during the event, Mrs. Ochipinti gave out information on our school, open enrollment and our upcoming open house. A great way to increase our fulltime enrollment.

- **SIP Goals Update – L.Patino/E.Maldonado**

Ms. Lallouz, the optional academic seminars are over. Moving forward, all academic seminars are mandatory.

Mrs. McCutcheon, math workshop, students worked in groups in preparation for the Math FSA and EOC.

Mrs. McCutcheon is requesting funds from SAC Committee towards food, snacks and beverages, for students attending the math workshops. The proposal is to request for up to \$250 towards food, snacks and beverages for math workshop.

We can vote in today's SAC meeting, however, we must take to it district for final approval.

Mrs. Ochipinti, is requesting funds from the SAC Committee for the US History EOC reviews towards food, snack and beverages.

At this time, funds totaling in the amount up to \$400, for both the mandatory math workshops and US History review. Members are aware district might deny.

10:36 AM all in favor, in the amount up to \$400 from SAC funds.

Ms. Lallouz, completed middle school seminars, completed 9th grade on March 5th. Has upcoming seminars for high school level. These workshops are preparing students strictly for the ELA FSA. Ms. Lallouz will create makeup assignments for those who weren't able to attend the workshops.

Mrs. Krug, did science review last week for 8th grade as well as a practice test. Every Tuesday in April, there will be a blackboard review for the science FCAT. We had the Sawgrass Wildlife Care Center come on campus with various animals. Talked about invasive and noninvasive animals. Birding activity on February 23rd at Plantation Reserve. Used birding app named Merlin Bird ID and was able to summon a hummingbird. March 20th, Mrs. Francis will conduct the cell membrane bubble lab for students.

➤ **Student Activities Updates**

-Business Club, Robotics, Science Labs, NHS, NJHS and any other info from Club Sponsors, School Counselors, or Admin who are present!

Ms. Lallouz, BVS bucks, explained the reason for BVS bucks and how they're able to earn bucks by attending workshops (non-mandatory), meet & greet, birding, etc, students' participation and the rewards students may receive at the BVS bucks brunch.

Mrs. Wasser, NHS will be having online fundraiser from 3/11-3/25 for the Leukemia and Lymphoma Society. Family picnic will be at Markham Park on (date), \$20 a family, to cover cost of pavilion and food. Induction ceremony will be on April 20th for fall and spring enrollment for NHS.

Robotics – will have robot by next week.

➤ **Counselor updates**

Mrs. Maldonado, SAT testing today. BVS Guidance Team are planning testing dates and working on summer dual enrollment. In April will work on fall dual enrollment. There will be orientation on June 6th for incoming 9th graders.

Mrs. Caracuel, had enrollment questions from students at MSD. She also inquired if students will be able to participate in seniors activities at MSD.

Answer: Yes they will be able to attend graduation ceremony. For prom, they will need an invitation from another student attending prom at MSD.

Grad bash will be with BVS and ATC. MSD graduation will be on June 2nd.

For future MSD fulltime enrollment with BVS, student activities will be on a year by year base.

➤ **For the Good of the Group**

Next meeting: Mrs. Maldonado made a motion to change SAC meeting to Friday, May 17, 2019

Meeting adjourned

11:26AM Mrs. Caracuel 1st and Mrs. Krug 2nd
