

Vision, Mission & Beliefs

Section 1: Vision Statement –

The school counseling vision statement communicates what school counselors hope to see for students five to 15 years in the future. It aligns with the school and district vision statements and is informed by the school counseling program's beliefs.

The school counseling vision statement:

- Describes the future world where student outcomes are successfully achieved.
- Portrays a rich and textual picture of success, providing a full image of what students become.
- States the best possible student outcomes that are five to 15 years away

Include:

- The school counseling program's beliefs
- The school and district vision statements
