I have discussed course selections with my son/daughter and approve the selections indicated on this course sheet. I am aware that the Florida Bright Futures Scholarship Programs and the community service requirement for graduation can be found online. I am aware that course requests are FINAL and my alternate selection may be substituted due to conflicts or cancellation as a result of insufficient enrollment. A preapproval signature does not guarantee placement in designated courses. In addition, based on FCAT scores, electives may be replaced by remedial classes.
