

**Plantation Middle School
Title One School
Saturday School Information**

Plantation Middle School will be offering Saturday School beginning January 14th, 2012. Saturday School will begin promptly at 9:00 a.m. and end at 11:00 a.m. During a Saturday School session students will visit both a math and a reading class with a short break in-between.

Students must be picked up immediately after Saturday School, as supervision is only available until 11:00 a.m.

The purpose of a Saturday School session is to assist students with test taking strategies through engaging activities. The program used during the sessions is Compass Learning Odyssey. When the students begin the program they will take a short diagnostic test to determine their areas of strength and weakness. The result of the student's performance on the test will then generate activities specific to the individual student's needs.

Students are expected to follow all school rules and abide by the Broward County Code of Conduct at all times (including dress code). Any infractions will result in automatic dismissal from the Saturday School program.

Also, if students have headphones it is recommended that they bring them to use with the computer program.

**Saturday School Dates 1/14/12*, 1/28/12*, 2/4/12, 2/11/12,
2/25/12, 3/3/12, 3/24/12* and 4/14/2012***

*Writing or Science workshops are scheduled for 8th graders.
