

SAFETY DEVICES FOR SCHOOL SAFETY PATROLS

Florida Statutes, 1974, requires that by October 1, 1974, all flags, belts, apparel and devices supplied or furnished to pupils acting in the capacity of school safety patrols, must be made from retro-reflective and fluorescent materials visible both day and night at three hundred feet to approaching motorists using lawful low beam headlights.

AUTHORITY: F.S. 230.22 (1) (2)

PROCEDURES ADOPTED: 9/5/74
