- **QUESTION #1:**
"Ice-O-Matic has an ICE0520A that is Energy Star rated. Can it be approved as an Item 41A approved brand?"

- **ANSWER TO QUESTION #1:**
No, it cannot be approved for item 41. Item 41 is intended for smaller programs (i.e. elementary schools), due to its smaller capacity bin, smaller machine size, and lower amp draw. The machine proposed (ICE520A) has more capacity, size and energy properties than what's required for smaller programs.

- **QUESTION #2:**
"The Accutemp model specified for 27E will not hold 6- 4" 12x20 pans, it will hold: 6 – 2.5" deep 12"x20" pans or 4- 4" deep 12" x 20" pans"

- **ANSWER TO QUESTION #2:**
Please see revised bid pages attached.

➤ **QUESTION #1:**

"Looking at Manitowoc 's web site, price list, and spec sheets, there is nothing in their literature to indicate that the ID0502-A is Energy Star qualified. Based on the Energy Star criteria, they should not be able to win the Ice Machine Group unless they have a machine for this item that is Energy Star.

It appears we will also not be able to bid the Ice Group due to a similar situation for Item 42A with our Ice-O-Matic line.

I looked up all the ice machine models such as Scotsman and Hoshizki, and Scotsman and Hoshizaki do qualify with the models listed for 41A and 41B.

Manitowoc and Ice-O-Matic do not qualify with the models listed in 41A, although Manitowoc has a non-Energy Star machine listed as an approved brand."

➤ **ANSWER TO QUESTION #1:**

Manitowoc ID502A is an Energy Star Qualified model. However, Manitowoc ID322A is not an Energy Star rated model. Please see the revised bid specifications sheets attached.

SECTION 3, GENERAL CONDITIONS

1. **SEALED BID REQUIREMENTS:** The "Bidder Acknowledgement Section" must be completed, signed and returned with the bid. The Bid Summary Sheet pages on which the Bidder actually submits a bid, and any pages, upon which information is required to be inserted, must be completed and submitted with the bid. **The School Board of Broward County (SBBC) reserves the right to reject any bid that fails to comply with these submittal requirements.**
 - a) **BIDDER'S RESPONSIBILITY:** It is the responsibility of the Bidder to be certain that all numbered pages of the bid and all attachments thereto are received and all Addendum released are received prior to submitting a bid without regard to how a copy of this ITB was obtained. All bids are subject to the conditions specified herein on the attached bid documents and on any Addenda issued thereto.
 - b) **BID SUBMITTED:** Completed bid must be submitted in a sealed envelope with bid number and name clearly typed or written on the front of the envelope. Bids must be time stamped in Procurement and Warehousing Services **on or before 2:00 p.m. ET on date due** for bid to be considered. Bids shall be opened at 2:00 p.m. ET on date due. Bids submitted by telegraphic or facsimile transmission shall not be accepted.
 - c) **EXECUTION OF BID:** Bid must contain an original manual signature of an authorized representative in the space provided above. All bids must be completed in ink or typewritten. **If a price correction is necessary, draw a single line through the entered figure and enter the corrected figure or use an opaque correction fluid. All price corrections must be initialed by the person signing the bid even when using opaque correction fluid.** SBBC reserves the right to reject any bid or bid item completed in pencil or any bid that contains illegible entries or price corrections not initialed.
 - d) **BIDDING PREFERENCE LAWS: ALL BIDDERS MUST COMPLETE AND SUBMIT THE LEGAL OPINION OF BIDDER'S PREFERENCE FORM IN ORDER TO BE CONSIDERED FOR AWARD.** The State of Florida provides a Bidder's preference for Florida vendors for the purchase of personal property. The local preference is five (5) percent. Bidders outside the State of Florida must have an Attorney, licensed to practice law in the out-of-state jurisdiction, as required by Section 2, Chapter 287.084, Florida Statutes, execute the "Opinion of Out-of-State Bidder's Attorney on Bidding Preferences" form and must submit this form with the submitted bid. Such opinion should permit SBBC's reliance on such attorney's opinion for purposes of complying with Chapter 287.084, Florida Statutes. Florida Bidders must also complete its portion of the form. Failure to submit and execute this form, with the bid, shall result in bid being considered "non-responsive" and bid rejected.
 2. **PRICES QUOTED:** Deduct trade discounts and quote firm net prices. Give both unit price and extended total. Prices must be stated in units to quantity specified in the bidding specification. In case of discrepancy in computing the amount of the bid, the **Unit Price** quoted shall govern.

All prices quoted shall be F.O.B. destination and freight prepaid (Bidder pays and bears freight charges). Awardee owns goods in transit and files any claims. Discounts for prompt payment: Award, if made, shall be in accordance with terms and conditions stated herein. Each item must be bid separately and no attempt is to be made to tie any item or items in with any other item or items. **Cash or quantity discounts offered shall not be a consideration in determination of award of bid(s).** If an Awardee offers a discount or offers terms less than Net 30, it is understood that a minimum of 30 days shall be required for payment, and if a payment discount is offered, the discount time shall be computed from the date of satisfactory delivery at place of acceptance and receipt of correct invoice at the office specified.

 - a) **TAXES:** SBBC does not pay Federal Excise and State taxes on direct purchase of tangible personal property. The applicable tax exemption number is shown on the Purchase Order. This exemption does not apply to purchases of tangible personal property made by contractors who use the tangible personal property in the performance of contracts for the improvement of SBBC owned real property as defined in Chapter 192, Florida Statutes.
 - b) **MISTAKES:** Bidders are expected to examine the specifications, delivery schedules, bid prices and extensions, and all instructions pertaining to supplies and services. Failure to do so shall be at Bidder's risk.
 - c) **CONDITION AND PACKAGING:** It is understood and agreed that any item offered or shipped as a result of this bid shall be new (current production model at the time of this bid) unless otherwise specified. All containers shall be suitable for storage or shipment and all prices shall include standard commercial packaging.
 - d) **UNDERWRITERS' LABORATORIES:** Unless otherwise stipulated in the Bid, all manufactured items and fabricated assemblies shall be UL listed where such has been established by UL for the item(s) offered and furnished. In lieu of the UL listing, Bidder may substitute a listing by an independent testing laboratory recognized by OSHA under the Nationally Recognized Testing Laboratories (NRTL) Recognition Program.
- e) **BIDDER'S CONDITIONS:** Bid conditions and specifications **shall not** be changed, altered or conditioned in any way. SBBC specifically reserves the right to reject any conditional bid.
 3. **SAMPLES:** Samples of items, when required, must be furnished free of expense within five (5) working days of request unless otherwise stated and, if not destroyed, will, upon request, be returned at the Bidder's expense. Bidders shall be responsible for the removal of all samples furnished within 30 days after bid opening. All samples shall be disposed of after 30 days. Each individual sample must be labeled with Bidder's name, bid number and item number. Failure of Bidder to either deliver required samples or to clearly identify samples as indicated may be reason for rejection of the bid item. Unless otherwise indicated, samples should be delivered to Procurement and Warehousing Services, The School Board of Broward County, Florida, 7720 West Oakland, Park Boulevard, Suite 323, Sunrise, Florida 33351-6704.

 5. **INTERPRETATIONS:** Any questions concerning conditions and specifications must be submitted in writing and received by Procurement and Warehousing Services no later than **ten working days, or as stated in the Special Conditions**, prior to the original bid opening date. If necessary, an Addendum shall be issued.
 6. **AWARDS:** In the best interest of SBBC, SBBC reserves the right to: 1) withdraw this ITB at any time prior to the time and date specified for the bid opening; 2) to reject any or all bids received when there are sound documented business reasons that serve the best interest of SBBC; 3) to accept any item or group of items unless qualified by Bidder; and 4) to acquire additional quantities at prices quoted on this ITB unless additional quantities are not acceptable, in which case, the bid sheets must be noted "BID IS FOR SPECIFIED QUANTITY ONLY." All awards made as a result of this bid shall conform to applicable Florida Statutes and shall be governed by the laws of the State of Florida, and must have venue established in the 17th Judicial Circuit Court of Broward County, Florida or the United States Court of the Southern District of Florida.

 8. **ADVERTISING:** In submitting a bid, Bidder agrees not to use the results there from as a part of any commercial advertising without prior approval of SBBC.
 9. **INSPECTION, ACCEPTANCE & TITLE:** Inspection and acceptance shall be at destination unless otherwise provided. SBBC reserves the right to require additional information, should it be necessary, and to deny the issuance of a badge to an applicant. Any applicant, that has been denied a badge, is prohibited from entering SBBC property as an employee, sub-contractor or agent of a contract Awardee. **Applicant enrollment and scheduling website is www.fieldprintflorida.com.** The total fee(s) for the SBBC photo identification badge, fingerprinting and a FBI background check can be found at the following website: http://www.broward.k12.fl.us/police/pdf/secle/FIELDPRINT_CODES.pdf. 55. **AUDIT AND INSPECTION OF AWARDEE'S DOCUMENTS AND RECORDS:** The District or its representative reserves the right to inspect and/or audit all the Awardee's documents and records as they pertain to the products and services delivered under this agreement. Such rights shall be exercised with notice to the Awardee to determine compliance with and performance of the terms, conditions and specifications on all matters, rights and duties, and obligations established by this agreement. Documents/records in any form shall be open to the District or State's representative and may include but are not limited to all correspondence, ordering, payment, inspection, and receiving records, contracts or sub-contracts that directly or indirectly pertain to the transactions between the District and the Awardee(s).
56. **ORIGINAL DOCUMENT FORMAT:** Only the terms and conditions of this solicitation as they were released by SBBC, or amended via Addendum, are valid. Any modification to any term or condition by a Bidder is not binding unless it is expressly agreed to, in writing, by SBBC.
57. **CREDIT CARDS:** Individual schools and departments may place some orders and utilize, as the form of payment, a District-issued credit card to the extent authorized by SBBC. These orders shall be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e. within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all Awardees must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that an Awardee maintains secure records of the credit card account assigned an alias or password, to avoid divulging the actual credit card number upon every purchase.
58. **NONCONFORMANCE TO CONTRACT CONDITIONS:** Items offered may be tested for compliance with bid conditions and specifications at any time. Items delivered, not conforming to bid conditions or specifications, may be rejected and returned at Awardee's expense. Goods or services not delivered as per delivery date in bid and/or Purchase Order may be rejected upon delivery and/or may be purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:
- For a period of two years, any bid submitted by Awardee shall not be considered and shall not be recommended for award.
 - All departments being advised not to do business with Awardee.
59. **CONE OF SILENCE:** Any Bidder, or lobbyist for a Bidder, is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement and Warehousing Services releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement and Warehousing Services. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of release of the solicitation until the contract is awarded by SBBC. Further, any Awardee, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the Awardee is attempting to sell goods or services to SBBC. This period of limitation of offering campaign contributions shall commence at the time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3320, Part II, Section GG as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any Bidder or lobbyist who violates this provision shall cause their Bid (or that of their principal) to be considered non-responsive and therefore be ineligible for award.**
60. **TERMINATION:** This contract award may be terminated with or without cause by SBBC during the term hereof thirty (30) days after the Superintendent gives written notice to the other parties that a recommendation shall be made to SBBC for the contract award's termination.
61. **EVALUATION AND BIDS:** SBBC evaluates all Bids in accordance with Chapters 119.071 and 286.0113, Florida Statutes.

62. **MEET OR RELEASE:** If during the contract term, SBBC is offered a lower price from a third party supplier for a product or service awarded under this contract, or offers another item that meets or exceeds the specifications for the item at a lower price than the awarded price, SBBC shall request Awardee to meet the lower price offered by the third party supplier. Awardee shall be required to respond to this request within three (3) days of request. If Awardee is unable to meet the lower price, SBBC shall be released from its contractual obligation to purchase the item under this contract. No response to this request shall indicate that Awardee is unable to offer item at a lower price. This action, purchasing awarded item from third party supplier, shall not hold SBBC in default of contract. Each purchase shall be considered separate and apart from each other.

63. **CONFIDENTIAL RECORDS:** Notwithstanding any provision to the contrary within this Contract, any party contracting with SBBC under this Contract shall fully comply with the requirements of Sections 1002.22 and 1002.221, Florida Statutes; Family Educational Rights and Privacy Act (FERPA), and any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

Awardee agrees that it may create, receive from or on behalf of SBBC, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it shall: (1) hold the Confidential Records in strict confidence and shall not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the SBBC in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the SBBC, Awardee agrees to provide SBBC with a written summary of the procedures Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the SBBC to terminate any Agreement with Awardee.

64. **PROPRIETARY INFORMATION:** Pursuant to Chapter 119, Florida Statutes, bids received as a result of this ITB shall not become public record until thirty (30) days after the date of opening or until posting of the recommendation for award, whichever occurs first. Thereafter, all bid documents or other materials submitted by all Bidders in response to this ITB shall be open for inspection by any person and in accordance with Chapter 119, Florida Statutes. To the extent a Bidder asserts any portion of its bid is confidential and exempt, long with specific citations of the Florida Statutes establishing the confidentiality or exemption. Failure to identify the portions of the bid claimed to be exempt or the specific statutory authority establishing the exemption shall be deemed a waiver by the Bidder that any unidentified portion of the bid is confidential or exempt from disclosure under Chapter 119, Florida Statutes.

Should a public records request for bid documents or other materials submitted by a Bidder be submitted, SBBC shall notify the contact person identified in the bid of the request in writing. The notice provided shall indicate that requested materials shall be produced unless, within ten (10) calendar days of the date of the written notification, the Awardee initiated an action in a court of competent jurisdiction to obtain an injunction or protective order prohibiting the release of the requested materials. Awardee shall name the party requesting the materials as a defendant and shall not name SBBC as a party to the action. Awardee agrees to hold SBBC harmless from any award to a plaintiff for damages, costs or attorney's fees based on nondisclosure of information asserted to be confidential and exempt. Failure to timely initiate the action shall be deemed a waiver by the Awardee that the requested information is confidential and exempt. Awardee agrees to waive any cause of action it may have against SBBC for the release of materials pursuant to a public records request except those based on the intentional or grossly negligent conduct of any employee of SBBC. Submission by a Bidder in response to this ITB shall be deemed as Bidder's consent to the foregoing conditions.
