SECTION 1: SCOPE OF WORK

A. INTRODUCTION

The State of Minnesota, Department of Administration, Materials Management Division is requesting proposals on behalf of the State of Minnesota and WSCA-NASPO Cooperative Procurement Program (“WSCA-NASPO”). The purpose of this Request For Proposal (hereafter called the RFP) is to establish Minnesota WSCA-NASPO Master Agreement(s) with qualified manufacturers for **Computer Equipment (Desktops, Laptops, Tablets, Servers, Storage and Ruggedized Devices including related Peripherals & Services)**.

This RFP describes a relationship to be established between the Lead State and a responder and also specifies contractual conditions and details the basis for the responses, the subsequent review, and the final selection process. Detailed Contract obligations and measures of performance may be further defined in the final negotiated Contracts. The RFP shall not be construed to limit the Lead State’s right to issue or not issue any Contract, to reject all proposals, or to negotiate with more than one responder.

Sealed responses must be received in the office of the Director of the Materials Management Division and time-stamped no later than the date and time specified, at which time the names of the vendors responding to this RFP will be read. Late responses cannot be considered. The laws of Minn. Stat. Ch. 16C apply to this RFP.

For the purpose of this RFP, there are six product bands identified below which may be awarded. Responders must only respond to Bands in which they manufacture the defined product. The State of Minnesota intends to establish multiple awards per band. The State of Minnesota reserves the right to eliminate any bands from the final award.

- Band 1: Desktop
- Band 2: Laptop
- Band 3: Tablet
- Band 4: Server
- Band 5: Storage
- Band 6: Ruggedized Devices

The Master Agreement(s) resulting from this RFP will replace the current State of Minnesota WSCA/NAPSO PC Contracts awarded in 2009. Information on these contracts is available at http://www.mmd.admin.state.mn.us/wsca/2009-2014_contracts.asp.

All authorized governmental entities in any State are welcome to use the resulting Master Agreements through WSCA-NASPO with the approval of the State Chief Procurement Official. Upon final award of the overarching Master Agreements, Contract Vendors are able to sign Participating Addendums (PA) at the option of Participating States. Participating States reserve the right to add State specific terms and conditions and modify the scope of the contract in their Participating Addendum as allowed by the Master Agreement.

This RFP will result in a Master Agreement. The Master Agreement contract terms will begin on the date of contract execution, to 24 months after the date of contract execution, with the option to extend up to 36 months, upon agreement by both parties. Participating States will have the option to participate and further refine their Terms and Conditions through a Participating Addendum.

B. OBJECTIVE

The objectives of this RFP are to:

- Obtain greater volume-based price discounts for quantity one purchases by leveraging the purchasing power of multiple states and their political subdivisions.
- Obtain competitive pricing for specific standard configurations through a Premium Saving Package (PSP) program
- Reduce contracting costs for each participating state through a cooperative competitive procurement process

Proposers will provide an initial discount for a quantity of one unit. Proposers are to base discounts on the collective volume of potential purchases by the numerous state and local government entities. The objective of the procurement is to consolidate spend for participating entities to receive highly competitive pricing at the quantity one unit. In Calendar Year 2012, there was approximately \$2,249,935,555.39 of spend. Further bulk/quantity savings are obtained when additional quantities are requested. Participating States and political subdivisions are encouraged to continually re-compete and obtain quotes for further quantity discounts among the awarded vendors to obtain the lowest price.

The awarded Contract Vendors should realize significant savings by managing a single comprehensive Master Agreement establishing common terms, conditions, pricing and administrative structure.

C. WSCA-NASPO BACKGROUND INFORMATION

Since 1993, the Western States Contracting Alliance (WSCA) served as the primary cooperative purchasing arm of The National Association of State Procurement Officials (NASPO) and encouraged, fostered, and guided participating members to work collaboratively in an effort to create true procurement cooperatives.

NASPO has formed a subsidiary entity, the WSCA-NASPO Cooperative Purchasing Organization (WSCA-NASPO), LLC to manage its WSCA-NASPO national cooperative purchasing program. The LLC was formed in October of 2012 and began operating officially on January 1, 2013. A 21-member Management Board has been appointed to oversee the operations and activities of the new organization.

WSCA-NASPO represents a unified, nationally-focused cooperative purchasing program that will leverage the collective expertise and experience of WSCA and NASPO, aggregate the demand of all 50 states, the District of Columbia and the five organized territories, and their political subdivisions and other eligible entities, and help spur innovation and competition in the marketplace.

D. PARTICIPATING STATES

Apart from the Lead State conducting the solicitation, the states listed below have signified their intent to participate in the Master Agreement(s) resulting from this RFP. These States are considered Participating States for the purposes of this solicitation and its resulting contracts(s). WSCA-NASPO experience has shown states that have participated in previous WSCA-NASPO solicitations will continue to participate in subsequent solicitations. WSCA-NASPO is still in the process of gathering Intent to Participates from the current participating states for this Solicitation and will be added through an addendum process. Additional states may decide to participate during the course of this solicitation or after the Master Agreements have been awarded.

Some State specific Terms and Conditions are provided in Section 6. These are **for informational purposes only** and will be negotiated with individual States after award of the Master Agreement. All States reserve the right to add additional terms and conditions to a participating addendums.

With the evolution of technology bands will be flexible and may be redefined during the course of the contract.

BAND 1: DESKTOP. A desktop computer is a personal computer intended for regular use at a single location. A desktop computer typically comes in several units connected together during installation: (1) the processor, 2) display monitor and 3) input devices usually a keyboard and a mouse. All operating systems for tablets are allowed. Zero Clients, Thin clients, all in ones and workstations will also be included under desktops. Ruggedized equipment may also be included in the Product and Service schedule for this band

BAND 2: LAPTOP. A laptop computer is a personal computer for mobile use. A laptop includes a display, keyboard, point device such as a touchpad and speakers into a single unit. A laptop can be used away from an outlet using a rechargeable battery. All operating systems for tablets are allowed. The WSCA-NASPO Administrative Fee shall be submitted quarterly and is based on sales of products and services (less any charges for taxes or shipping). The WSCA-NASPO Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with proposal.

Additionally, some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contract Vendor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements may not affect the WSCA-NASPO Administrative Fee or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

2. AGREEMENT ORDER OF PRECEDENCE. The Master Agreement shall consist of the following documents:

1. A Participating Entity's Participating Addendum ("PA");
2. Minnesota WSCA-NASPO Master Agreement (includes negotiated Terms and Conditions)
3. The Solicitation; and
4. Accepted portions of the Contract Vendor's response to the Solicitation, as modified in any proposal revisions (if permitted)

These documents shall be read to be consistent and complementary. Any conflict among these documents shall be resolved by giving priority to these documents in the order listed above. Contract Vendor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment. No other terms and conditions shall apply, including terms and conditions listed in the Contract Vendor's response to the Solicitation, or terms listed or referenced on the Contract Vendor's website, in the Contract Vendor quotation/sales order or in similar documents subsequently provided by the Contract Vendor. The solicitation language prevails unless a mutually agreed exception has been negotiated.

3. AMENDMENTS. The terms of this Master Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written approval of the WSCA-NASPO Master Agreement Administrator.

4. ASSIGNMENT OF ANTITRUST RIGHTS. 6. CANCELLATION. Unless otherwise stated in the terms and conditions, any Master Agreement may be canceled by either party upon 60 days' notice, in writing, prior to the effective date of the cancellation. Further, any Participating Entity may cancel its participation upon 30 days written notice, unless otherwise limited or stated in the special terms and conditions of this solicitation or in the applicable Participating Addendum. Cancellation may be in whole or in part. Any cancellation under this provision shall not affect the rights and obligations attending orders outstanding at the time of cancellation, including any right of a Participating Entity to indemnification by the Contract Vendor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in

association with any order. Cancellation of the Master Agreement due to Contract Vendor default may be immediate if defaults cannot be reasonably cured as allowed per Default and Remedies term.

3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal [response] is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

Stat. § 363A.36 and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
- (d) The Contract Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the commissioner of the Minnesota Department of Human Rights. Such notices must state the Contract Vendor's obligation under the law to take affirmative action to

employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.

This clause shall not be construed to bar any legal remedies the Contract Vendor may have with the Lead State's and Participating Entity's failure to fulfill its obligations pursuant to the Master Agreement.

If the Participating Entity's laws require approval of a third party to defend Participating Entity, Participating Entity will seek such approval and if approval is not received, Contract Vendor is not required to defend that Participating Entity.

INTELLECTUAL PROPERTY INDEMNIFICATION. The Contract Vendor warrants that any materials or products provided or produced by the Contract Vendor or utilized by the Contract Vendor in the performance of this Master Agreement will not infringe upon or violate any patent, copyright, trade secret, or any other proprietary right of any third party. In the event of any such claim by any third party against the Participating Entity, the Participating Entity shall promptly notify the Contract Vendor. The Contract Vendor, at its own expense, shall indemnify; defend to the extent permitted by the Participating Entity's laws, and hold harmless the Participating Entity against any loss, cost, expense, or liability (including legal fees) arising out of such a claim, whether or not such claim is successful against the Participating Entity.

If such a claim has occurred, or in the Contract Vendor's opinion is likely to occur, the Contract Vendor shall either procure for the Participating Entity the right to continue using the materials or products or replacement or modified materials or products. If an option satisfactory to the Participating Entity is not reasonably available, the Participating Entity shall return the materials or products to the Contract Vendor, upon written request of the Contract Vendor and at the Contract Vendor's expense. 22. ORGANIZATIONAL CONFLICTS OF INTEREST. The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances which could give rise to organizational conflicts of interest. All responders must select one of the following boxes:

- My response **does not** contain "trade secret information." I understand that my entire response will become public record in accordance with Minn. Stat. § 13.591.
- My response **does** contain trade secret information because it contains data that:
 1. is a formula, pattern, compilation, program, device, method, technique or process; **AND**
 2. is the subject of efforts by myself or my organization that are reasonable under the circumstances to maintain its secrecy; **AND**
 3. derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.

- I have clearly marked and placed any data I claim to be "trade secret information" in a separate envelope **AND** I am attaching an explanation justifying the trade secret designation.

All data that does not meet the definition of trade secret as defined by Minn.Stat. § 13.591subd.1(b) will become public in accordance with Minn. Stat. § 13.591. By submitting this response, responder agrees to indemnify and hold the State, its agents and employees, harmless from any claims or causes of action relating to the State's withholding of data based upon reliance on the above representations, including the payment of all costs and attorney fees incurred by the State in defending such an action.

EMARKETCENTER REQUIREMENTS

In July 2011, WSCA-NASPO entered into a multi-year agreement with SciQuest, Inc. whereby SciQuest will provide certain electronic catalog hosting and management services to enable eligible WSCA-NASPO entity's customers to access a central online website to view and/or shop the goods and services available from existing WSCA-NASPO Cooperative Contracts. The central online website is referred to as the WSCA-NASPO eMarket Center Contractor shall either upload a hosted catalog into the eMarket Center or integrate a punchout site with the eMarket Center.

Supplier's Interface with the eMarket Center

There is no cost charged by SciQuest to the Contractor for loading a hosted catalog or integrating a punchout site.

At a minimum, the Contractor agrees to the following:

1. **Implementation Timeline:** WSCA-NASPO eMarket Center Site Admin shall provide a written request to the Contractor to begin enablement process. The Contractor shall have fifteen (15) days from receipt of written request to work with WSCA-NASPO and SciQuest to set up an enablement schedule, at which time SciQuest's technical documentation shall be provided to the Contractor. The schedule will include future calls and milestone dates related to test and go live dates. The contractor shall have a total of Ninety (90) days to deliver either a (1) hosted catalog or (2) punch-out catalog, from date of receipt of written request.
2. **Definition of Hosted and Punchout:** WSCA-NASPO and SciQuest will work with the Contractor, to decide which of the catalog structures (either hosted or punch-out as further described below) shall be provided by the Contractor.
Whether hosted or punch-out, the catalog must be strictly limited to the Contractor's awarded contract offering (e.g. products and/or services not authorized through the resulting cooperative contract should not be viewable by WSCA-NASPO Participating Entity users).
 - a. **Hosted Catalog.** By providing a hosted catalog, the Contractor is providing a list of its awarded products/services and pricing in an electronic data file in a format acceptable to SciQuest, such as Tab Delimited Text files. In this scenario, the Contractor must submit updated electronic data quarterly to the the eMarket Center for Lead State's approval to maintain the most up-to-date version of its product/service offering under the cooperative contract in the eMarket Center.
 - b. **Punch-Out Catalog.** By providing a punch-out catalog, the Contractor is providing its own online catalog, which must be capable of being integrated with the eMarket Center as a. Standard punch-in via Commerce eXtensible Markup Language (cXML). In this scenario, the Contractor shall validate that its online catalog is up-to-date by providing a written update quarterly to the Contract Administrator stating they have audited the offered products/services and pricing listed on its online catalog. The site must also return detailed UNSPSC codes (as outlined in line 3) for each line item. Contractor also agrees to provide e-Quote functionality to facilitate volume discounts.
3. **Revising Pricing and Product Offerings:** Any revisions (whether an increase or decrease) to pricing or product/service offerings (new products, altered SKUs, etc.) must be pre-approved by the Lead State and shall be subject to any other applicable restrictions with respect to the frequency or amount of such revisions. However, no cooperative contract enabled in the eMarket Center may include price changes on a more frequent basis than once per quarter. The following conditions apply with respect to hosted catalogs:
 - a. Updated pricing files are required by the 1st of the month and shall go into effect in the eMarket Center on the 1st day of the following month (i.e. file received on 1/01/13 would be effective in the eMarket Center on 2/01/13). Files received after the 1st of the month may be delayed up to a month (i.e. file received on 11/06/09 would be effect in the eMarket Center on 1/01/10).
 - b. Contract Administrator-approved price changes are not effective until implemented within the eMarket Center. Errors in the Contractor's submitted pricing files will delay the implementation of the price changes in eMarket Center.
4. **Supplier Network Requirements:** Contractor shall join the SciQuest Supplier Network (SQSN) and shall use the SciQuest's Supplier Portal to import the Contractor's catalog and pricing, into the SciQuest system, and view reports on catalog spend and product/pricing freshness. The Contractor can receive orders through electronic delivery (cXML) or through low-tech options such as fax. More information about the SQSN can be found at: www.sciquest.com or call the SciQuest Supplier Network Services team at 800-233-1121.

5. Minimum Requirements: Whether the Contractor is providing a hosted catalog or a punch-out catalog, the Contractor agrees to meet the following requirements:
 - a. Catalog must contain the most current pricing, including all applicable administrative fees and/or discounts, as well as the most up-to-date product/service offering the Contractor is authorized to provide in accordance with the cooperative contract; and
 - b. The accuracy of the catalog must be maintained by Contractor throughout the duration of the cooperative contract between the Contractor and the Contract Administrator; and
 - c. The Catalog must include a Lead State contract identification number; and
 - d. The Catalog must include detailed product line item descriptions; and
 - e. The Catalog must include pictures when possible; and
 - f. The Catalog must include any additional WSCA-NASPO and Participating Addendum requirements.*
6. Order Acceptance Requirements: Contractor must be able to accept Purchase Orders via fax or cXML.
 - a. The Contractor shall provide positive confirmation via phone or email within 24 hours of the Contractor's receipt of the Purchase Order. If the Purchasing Order is received after 3pm EST on the day before a weekend or holiday, the Contractor must provide positive confirmation via phone or email on the next business day.
7. UNSPSC Requirements: Contractor shall support use of the United Nations Standard Product and Services Code (UNSPSC). UNSPSC versions that must be adhered to are driven by SciQuest for the suppliers and are upgraded every year. WSCA-NASPO reserves the right to migrate to future versions of the UNSPSC and the Contractor shall be required to support the migration effort. All line items, goods or services provided under the resulting statewide contract must be associated to a UNSPSC code. All line items must be identified at the most detailed UNSPSC level indicated by segment, family, class and commodity. More information about the UNSPSC is available at: <http://www.unspsc.com> and <http://www.unspsc.com/FAQs.asp#howdoesunspscwork>.
8. Applicability: Contractor agrees that WSCA-NASPO controls which contracts appear in the eMarket Center and that WSCA-NASPO may elect at any time to remove any supplier's offering from the eMarket Center.
9. The Lead State reserves the right to approve the pricing on the eMarket Center. This catalog review right is solely for the benefit of the WSCA-NASPO Contract Administrator and Participating Entities, and the review and approval shall not waive the requirement that products and services be offered at prices (and approved fees) required by the Master Agreement.

* Although suppliers in the SQSN normally submit one (1) catalog, it is possible to have multiple contracts applicable to different WSCA-NASPO Participating Entities. For example, a supplier may have different pricing for state government agencies and Board of Regents institutions. Suppliers have the ability and responsibility to submit separate contract pricing for the same catalog if applicable. The system will deliver the appropriate contract pricing to the user viewing the catalog.

Several WSCA-NASPO Participating Entities currently maintain separate SciQuest eMarketplaces, these Participating Entities do enable certain WSCA-NASPO Cooperative Contracts. In the event one of these entities elects to use this WSCA-NASPO Cooperative Contract (available through the eMarket Center) but publish to their own eMarketplace, the Contractor agrees to work in good faith with the entity and WSCA-NASPO to implement the catalog. WSCA-NASPO does not anticipate that this will require substantial additional efforts by the Contractor; however, the supplier agrees to take commercially reasonable efforts to enable such separate SciQuest catalogs.

A responder who contacts a sourcing team member may, as a result, have its response rejected.

Non-selection of any response will mean that either another response was determined to be more advantageous to the Lead State or that the Lead State exercised its right to reject all responses. At its discretion, the Lead State may perform an appropriate cost and pricing analysis of a vendor's response, including an audit of the reasonableness of any response. During the evaluation process, all information concerning the responses submitted will remain private and will not be disclosed to anyone whose official duties do not require such knowledge. At any time during the evaluation, the Lead State may request that a responder provide explicit written clarification to any part of its response.

Responses are private or nonpublic data until the completion of the evaluation process as defined by Minn. Stat. § 13.591. The completion of the evaluation process is defined as the Lead State having completed negotiating the Master Agreement with the selected vendor. If no award is made the responses are not made public. The State will notify all responders in writing of the evaluation results.

Phase I - Review and select responsive, compliant responses

Phase II - Evaluate responses

Phase III - Select finalists

Phase IV - Sign Master Agreements

Phase I - Review and Select Responsive, Compliant Responses. The purpose of this phase is to determine if each response complies with the mandatory terms, conditions, and specifications in the RFP. The Lead State reserves the right to reject any and all responses, to modify these RFP specifications, or to waive any informalities in the RFP. Any response found to be non-responsive will be eliminated from further evaluation.

Phase II - Evaluate Responses. Only those responses found to be responsive under Phase I will be considered in Phase II. The Lead State may request clarification from one or more responders. The responses must be made in writing as the Lead State will only use what is in writing for evaluation purposes. The response to the request for clarification may be considered along with the original response for the evaluation.

However, the Lead State reserves the right to make an award without further clarification of the responses received. Therefore, it is important that each response be submitted in the most complete manner possible.

Responses will be rated as follows:

Acceptance of Terms & Conditions	50 Points

Environmental	50 Points
Qualifications	75 Points
Business	125 Points
Customer Support	150 Points
Cost Component	<u>500 Points</u>
TOTAL	1000 Points

Responders should note that the State reserves the right to pursue negotiations on any exception taken in Phase III. Responders should also note that the awarding of points does not automatically mean that the State has accepted the Responder's proposed language.

Phase III - Select Finalists. Only those responses that are found to be responsive under Phases I and II will be considered in Phase III.

The Lead State reserves the right to request oral presentations, and/or Best & Final offers by the responders and the opportunity to interview key personnel during Phase II and/or III. The Lead State reserves the right to select the number of responders for the Best & Final offer, oral presentations, and/or to enter into negotiations. The evaluation scores may be revised as a result of the responses to the oral presentations, Best & Final Offer, and/or negotiations.

The award of this solicitation will be based upon the total accumulated points as established in the RFP, for separate items, by grouping items, or by total lot, and where at its sole discretion the State believes it will receive the best value. The Lead State reserves the right to award this solicitation to a single responder, or to multiple responders, whichever is in the best interest of the Lead State. The Lead State reserves the right to accept all or part of an offer, to reject all offers, to cancel the solicitation, or to re-issue the solicitation, whichever is in the best interest of the Lead State.

The Sourcing Team will make recommendations on the award of this RFP. The commissioner of Administration or designee may accept or reject the recommendation of the Sourcing Team. The final award decision will be made by the Commissioner of Administration and provided to the WSCA-NASPO Management Board for approval.

In such event, the contractor shall reimburse the State the full purchase price.

b. The contractor must submit invoices to the using agency with supporting documentation evidencing that work or goods for which payment is sought has been satisfactorily completed or delivered. For commodity contracts, the invoice, together with the original Bill of Lading, express receipt and other related papers must be sent to the State Contract Manager or using agency on the date of each delivery. For contracts featuring services, invoices must reference the tasks or subtasks detailed in the Scope of Work section of the RFP and must be in strict accordance with the firm, fixed prices submitted for each task or subtask on the RFP pricing sheets. When applicable, invoices should reference the appropriate RFP price sheet line number from the contractor's bid proposal. All invoices must be approved by the State Contract Manager or using agency before payment will be authorized.

c. In all time and materials contracts, the State Contract Manager or designee shall monitor and approve the hours of work and the work accomplished by contractor and shall document both the work and the approval. Payment shall not be made without such documentation. A form of timekeeping record that should be adapted as appropriate for the Scope of Work being performed can be found at www.nj.gov/treasury/purchase/forms/Vendor_Timesheet.xls.

d The contractor shall provide, on a monthly and cumulative basis, a breakdown in accordance with the budget submitted, of all monies paid to any small business, minority or woman-owned subcontractor(s). This breakdown shall be sent to the Chief of Operations, Division of Revenue, P.O. Box 628, Trenton, NJ 08646.

6.4 OPTIONAL PAYMENT METHOD: P-CARD - The State offers contractors the opportunity to be paid through the MasterCard procurement card (p-card). A contractor's acceptance and a State agency's use of the p-card are optional. P-card transactions do not require the submission of a contractor invoice; purchasing transactions using the p-card will usually result in payment to a contractor in three (3) days. A contractor should take note that there will be a transaction-processing fee for each p-card transaction. To participate, a contractor must be capable of accepting the MasterCard. Additional information can be obtained from banks or merchant service companies.

6.5 NEW JERSEY PROMPT PAYMENT ACT - The New Jersey Prompt Payment Act, N.J.S.A. 52:32-32 et seq., requires state agencies to pay for goods and services within sixty (60) days of the agency's receipt of a properly executed State Payment Voucher or within sixty (60) days of receipt and acceptance of goods and services, whichever is later. Properly executed performance security, when required, must be received by the State prior to processing any payments for goods and services accepted by state agencies. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest shall not be paid until it exceeds \$5.00 per properly executed invoice.

Cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.

6.6 AVAILABILITY OF FUNDS – The State's obligation to make payment under this contract is contingent upon the availability of appropriated funds and receipt of revenues from which payment for contract purposes can be made. No legal liability on the part of the State for payment of any money shall arise unless and until funds are appropriated each fiscal year to the using agency by the State Legislature and made available through receipt of revenues.

As modified by this Addendum, Oregon DPS and Contractor are also bound by the terms of the Minnesota Agreement, as that term is defined in Section 8.3. 5. **Role of chief procurement official.** Use of WSCA-NASPO contracts by agencies authorized by Oregon statutes to use state contracts are subject to the approval of Oregon’s chief procurement official (“CPO”). Issues of interpretation and eligibility for participation are solely within the authority of the CPO.

7. [Reserved.]

8. **Definitions.** The following terms have the meanings set forth below.

8.1 “Confidential Information” is defined in Section 20.

8.2 “Independent Agency” means an agency, board, commission, department, or subdivision of the State of Oregon with independent procurement authority under ORS 279A.050, 279A.140, or other provisions of applicable Oregon law.

8.3 “Minnesota Agreement” means State of Minnesota’s contract number [REDACTED] with Contractor dated effective [REDACTED]. For purposes of this Addendum, the Minnesota Agreement consists of only the following documents:

(a) The “WSCA-NASPO Terms and Conditions” on pages 22 to 29 of the state of Minnesota request for proposals (“RFP”).

(b) The list of “bands” of computer equipment, maintenance and warranty services, and related services to be sold by Contractor under the Minnesota Agreement which are Exhibits [REDACTED] and [REDACTED] to the Minnesota Agreement.

(c) [Possible other Lead State documents.]

For purposes of this Addendum, no other terms are part of the Minnesota Agreement. For example but not in limitation, any other documents issued by or entered into by the Lead State and Contractor (or posted on websites of the Lead State, WSCA-NASPO, Contractor, or elsewhere) are expressly **not** adopted by Oregon DPS and Contractor, and will not govern this Addendum. Also, the “configuration dollars limits” on page 9 of the Lead State RFP do not apply to this Addendum. Further, no amendments to the Minnesota Agreement govern this Addendum unless expressly entered into by Oregon DPS. As noted in Section 2 of the WSCA-NASPO Terms and Conditions (listed on page 22 of the Minnesota RFP), in case of any conflict between the terms of this Participating Addendum, the Minnesota Agreement, the Minnesota RFP solicitation, and Contractor’s proposal in response to the Minnesota RFP solicitation, the terms of this Participating Addendum will control.

8.4 “ORCPP” means the Oregon Cooperative Procurement Program, under which members including local governments, agencies, and organizations in the state of Oregon are authorized to purchase goods and services available under an agreement, like this Addendum, entered into by Oregon DPS, and which are listed in the following online document:

<http://www.oregon.gov/DAS/EGS/PS/docs/orepp/oreppmemberlist.pdf>

8.5 “Purchaser” means an entity that submits a Purchase Order to Contractor under this Addendum. A Purchaser may be either (1) Oregon DPS, (2) an agency submitting a Purchase Order under Oregon DPS purchasing authority and direction, (3) an Independent Agency, or (4) an ORCPP member with its own purchasing authority.

8.6 “Purchase Order” means a document submitted by a Purchaser to Contractor under this Addendum that specifies a quantity and type of goods and services that Purchaser is purchasing and which Contractor will provide to Purchaser under the terms of this Addendum.

8.7 “Services” means installation, configuration, implementation, and training regarding the computer equipment (including software) provided by Contractor under this Addendum. The Services include but are not limited to the items identified in Exhibits ___ and ___ to the Minnesota Agreement.

9. **Use of Purchase Orders.**

9.1 **Purchase Order forms.** Purchasers may use their own Purchase Order (“PO”) forms, and may also use Oregon DPS’s Purchase Order form. If a Purchaser received a price quote, the quote number should also be included on the PO. If the terms of any PO form differ from the terms of this Addendum, the terms of this Addendum supersede the inconsistent terms.

9.2 **PO language.** Each Purchase Order should contain the language below on the first page.

“This Purchase Order is issued under the Minnesota Agreement and the Participating Addendum entered into by Oregon DPS and [REDACTED], contract number [REDACTED]. The terms of the Participating Addendum govern this purchase and supersede any inconsistent terms.”

9.3 **Liability for Purchase Orders.** Only a Purchaser issuing a Purchase Order is liable for obligations arising under the order. The State of Oregon expressly disclaims any liability for purchases made by entities that are not Oregon state agencies. Contractor acknowledges that the State of Oregon is only responsible for PO that it issues.

9.4 **Verification of Purchasers.** Contractor is responsible for verifying that it provides goods and services under this Addendum only to Purchasers. (Contractor can verify that a particular entity is an ORCPP member at the website listed in the ORCPP definition.)

10. Exhibits. This Addendum includes the following exhibits which are incorporated by this reference.

- 10.1 Exhibit A Contractor insurance requirements.
- 10.2 Exhibit B Approved Resellers of Contractor Products and Services related to the Products

11.2 **Invoices.** A Purchaser will pay Contractor no more than once each month for undisputed amounts due upon Contractor’s submission of detailed invoices that describe the goods and services delivered by Contractor and accepted by the Purchaser. Contractor shall request payment only for goods and services accepted by a Purchaser. Contractor must submit invoices electronically to Purchaser’s representative as designated on a Purchase Order.

11.3 Contractor’s invoices must include the following information:

Purchasers will not pay disputed claims until the dispute is resolved. Purchasers will pay undisputed portions of disputed or incorrect invoices where the undisputed portion can be easily identified by Purchaser. Payment of an amount less than the total amount due on an unpaid invoice must be credited by Contractor as directed by Purchaser. In no event may Contractor apply any payment or portion thereof to any particular amount or item that is subject to any claim of error or dispute between the parties. Contractor shall have three months from the date of any disputed billing item to give notice and initiate a dispute against Purchaser. Once either party has notified the other of an invoice or payment dispute, the parties shall attempt to resolve the dispute within 6 months. Purchasers have two years from the date of any disputed invoice to give notice and initiate a dispute against Contractor.

11.5 **No additional fees.** The cost for products listed in this Addendum is the only allowable charge. Contractor may not

add any other fees or charges irrespective of the payment method used by a Purchaser.

12. **Funds available and non-appropriation.** A Purchaser's payment obligations under this Addendum are conditioned upon Purchaser receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow Purchaser, in the exercise of its reasonable administrative discretion, to meet its payment obligations under any Purchaser Order. Nothing in this Addendum or Purchaser Order is to be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law governing liabilities or financial obligations of the State of Oregon.

13. **Volume sales reports and vendor collected administrative fees.**

13.1 **Volume sales reports.** Contractor shall submit to Oregon DPS a volume sales report ("VSR") no later than thirty (30) calendar days from the end of each calendar quarter, whether or not there are sales under this Addendum. When no sales have been recorded for a quarter, Contractor's VSR will state "No sales for the quarter." The calendar quarters end on March 31, June 30, September 30, and December 31.

13.2 **Content of VSRs.** Contractor's VSR must include the following information:

- (a) Complete and accurate details of all receipts (sales and refunds) for the reported period.
- (b) The information listed in Exhibit D to this Addendum. (Exhibit D is the Volume Sales Report Template which Contractor is required to submit to Oregon DPS.)
- (c) Such other information as Oregon DPS may reasonably request.

13.3 **VSR delivery requirements.** Contractor must deliver VSRs by email with the VSR in the form of a Microsoft Excel (.xlsx) spreadsheet attached to the email. Print outs of VSRs are not acceptable. Electronic copies of VSRs on compact disks are only acceptable if the size of the file precludes transmission by email. Approval from the Oregon DPS representative must be obtained for deviations from these requirements.

13.4 **Delivery of VSRs.** The first VSR submitted by Contractor must be submitted to the Oregon DPS representative for review and approval. The first VSR and all subsequent VSRs must be submitted by email to: vcaf.reporting@state.or.us. The Oregon DPS representative's receipt of VSRs does not preclude Oregon DPS from challenging the accuracy of VSRs at any time.

13.5 **Vendor collected administrative fee.**

(a) **Vendor collected administrative fee (VCAF) definition.** VCAF means one percent (1%) of Contractor's gross total sales, less any credits, made to Purchasers under this Addendum during each calendar quarter.

(b) **VCAF payments.** During the term of this Addendum, Contractor shall pay the VCAF amount to Oregon DPS within forty-five (45) calendar days after the end of each calendar quarter.

(c) Contractor must not reflect the VCAF fee as a separate line item charge to Purchasers. Contractor's prices must reflect all Contractor's charges to Purchasers, including the VCAF amount. Oregon DPS will invoice Contractor for the VCAF on invoices based on Contractor's VSR. Contractor is responsible for submitting timely VSR reports and making timely VCAF payment to Oregon DPS.

(d) **Payment format.** Contractor's VCAF payment shall be made in the form of a check sent to the address below (or to such other address designated by the Oregon DPS representative). Any form of VCAF payment other than a check must be specifically approved in writing by the Oregon DPS representative.

(e) **Interest on payments.** Any payments owed by Contractor to Oregon DPS which are made after the due date indicated on the invoice shall accrue interest at a rate of 18% per annum or the maximum rate permitted by law, whichever is less, until the overdue amount has been paid in full. Oregon DPS's right to interest on late payments shall not preclude Oregon DPS from

exercising any available rights or remedies.

13.6 **Audit rights.** Oregon DPS shall have the right during regular business hours and upon reasonable notice, at Contractor's premises, by itself or by a person authorized by it, to audit Contractor's books and records to determine and verify the information reported in any VSRs. In the event that any such audit reveals underpayment of VCAF fee, Contractor shall immediately pay the amount of deficiency, together with interest thereon at the rate provided in Section 6.2.3.2. At Oregon DPS'S request, Contractor shall pay the reasonable cost of an audit, but only if such audit reveals that an underpayment may exist as determined by Oregon DPS.

14. **Contractor warranties.**

14.1 Contractor makes the representations and warranties in this section for the benefit of Purchasers. Purchasers are entitled to the warranties, rights, remedies, and benefits under this Addendum. Contractor represents and warrants to Purchasers that:

- (d) All goods and services delivered by Contractor will materially conform to, and meet or exceed, the specifications and acceptance criteria set forth in a Purchase Order, this Addendum, or any documentation provided by Contractor.
- (e) All services performed by Contractor will be performed in accordance with the highest applicable professional or industry standards, and that only workmanship of the first quality is acceptable.
- (f) Contractor's performance creates no potential or actual conflict of interest, as defined by ORS chapter 244, for Contractor, any Contractor personnel, or any approved subcontractors who perform services for Purchasers.
- (g) All goods provided by Contractor are free and clear of any liens and encumbrances, and that Contractor has full legal title to the goods, and no other person has any right, title or interest in the goods which is superior to or infringe upon the rights transferred to a Purchaser. Title to goods delivered is subject to the provisions of ORS chapter 72.
- (h) When used as suggested by Contractor in product documentation and otherwise, no good or service delivered by Contractor infringes any copyright, patent, trade secret, trademark, or other proprietary right of any third party, nor will Purchaser's use, duplication, or transfer of the goods or services infringe any such rights.
- (i) All goods and services provided by Contractor comply with all applicable federal and state health and safety standards.
- (j) Any approved subcontractors providing goods or performing services under this Addendum have assigned all of their rights in the goods and services to Purchaser. No third party has any right, title or interest in any goods or services supplied to Purchaser.

14.3 Contractor shall transfer all goods and services to Purchasers free and clear of any and all restrictions on or conditions of transfer, modification, licensing, sublicensing, direct or indirect distribution, or assignment, and free and clear of any and all liens, claims, mortgages, security interests, liabilities, and encumbrances of any kind.

15. **Indemnities and Liability.**

15.1 **General indemnity.** Contractor will defend and indemnify Purchaser and the State of Oregon and their agencies, officers, employees, and agents (together, the “Indemnified Parties”) from and against all claims, suits, actions, losses, damages, liabilities, costs, expenses, and attorney fees of any nature whatsoever including the activities of Contractor and its officers, employees, subcontractors, resellers, and agents without limitation claims for personal injury, death, and property damage (together, “Claims”) resulting from, arising out of, and relating to goods and services provided by Contractor under this Addendum.

15.3 **Defense of indemnity claims.** Contractor’s obligation to defend and indemnify a Purchaser is conditioned on Purchaser providing to Contractor notice of a Claim or potential Claim of which Purchaser becomes aware that may be the subject of those sections. However, to the extent Purchaser’s notice is delayed, Contractor’s obligation to defend and indemnify is only foregone only to the extent it is prejudiced by delay. Contractor may control the defense and settlement of Claims. However, neither Contractor nor any attorney engaged by Contractor may defend a claim nor purport to act as legal representative in the name of the State of Oregon or the Indemnified Parties which are state agencies without the approval of the Oregon Attorney General. Contractor may not settle any claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election, assume its own defense by providing notice to Contractor. Contractor may not settle any indemnity claim on the State of Oregon’s behalf without the prior written consent of the Oregon Attorney General. The participation of the State of Oregon under this section will not relieve Contractor of its obligation to indemnify the State of Oregon.

15.4 **Remedies for Infringement Claims.** If any goods or services furnished by Contractor are, in Contractor’s opinion, likely to become the subject of an Infringement Claim, or if an Purchaser is prevented from exercising its rights under this Addendum based on any Infringement Claim or court order arising from any Infringement Claim, then Contractor may, at its option and expense, (1) procure for the Purchaser the right to continue using the allegedly infringing goods and services, or (2) replace or modify the goods or services so that they become non-infringing, provided that the replacement or modified product or service meets the specifications in the applicable Purchase Order to the satisfaction of Purchaser. If the foregoing remedies are not available, then Purchaser may return the allegedly infringing goods or terminate the allegedly infringing services, and Contractor must refund Purchaser’s payments in full, for the allegedly infringing goods or services, in addition to any other remedies available to Purchaser.

Neither party is liable to the other party for any consequential or incidental damages.

16. **Term and termination of Addendum.**

16.1 **Term of Addendum.** The initial term of this Addendum will be _____ years beginning on the date that Oregon DPS signs the Addendum. If this Addendum or a Purchase Order is so terminated, the Purchaser will pay Contractor in accordance with the terms of a Purchase Order for goods and services which are accepted by the Purchaser.

17. **Termination of individual Purchase Orders.**
