## The Ultimate Time Machine

### Reduce Cleaning Time by nearly half

The 28" cleaning path can reduce cleaning time by nearly half that of standard vacuum cleaners. Ideal for quickly cleaning auditoriums, stadiums, churches, schools, convention centers and other large carpeted areas.

### Get it all the First Time

5 Levels of height adjustment allow the user to quickly transition to different cleaning surfaces, ensuring that dirt, dust and debris are removed the first time, regardless of carpet height.

### Fewer clogs to slow you down

The 3" diameter, metal brushroll with 4 rows of bristles is designed to pick up debris that would clog most ordinary vacuums.

## The Ultimate Time Machine

### Time Saving Power increases productivity

When you need lightweight cleaning power that can tackle big jobs and hard-to-reach places, reach for the 10 Q Backpack. The 11.5 amps of power and 10-qt. dry dust bag make the most of your cleaning time by extending the time between bag changes.

### Breathe easier All of the Time

Breathe easier knowing that 4 levels of filtration are keeping dust and allergens from re-entering the environment and the air you breathe. The four levels of filtration are: motor filter, cloth filter, paper bag filter and HEPA.

### Tools ready to use when you are

Don't waste time looking for tools You have to have the right tools at hand to get the job done, so the 10 Q Backpack comes with a large assortment of tools including 6 attachments to clean every surface.

### Clean in comfort without stopping

The padded ergonomic harness creates space, so your back stays cool. The exhaust air emits from the bottom of the unit, so you stay cool and desk papers don't blow off .

## The Ultimate Time Machine

### Rugged, industrial-grade wet-dry vacuum Lasts 8X Longer

This rugged, long-life, industrial-grade wet-dry vacuum has been designed and tested to last 500 hours, more than 8 times that of conventional wet-dry vacuums.

### Contractor must-have features

In addition to the sturdy polypropylene tank, this unit comes with rugged, quick-clip latches for tank locking and unlocking and a drain cap to easily empty liquids.

### Easy to transport and use

The wide-diameter 1.5" metal wands and 8-ft. hose mean fewer clogs. The metal casters roll on and on taking advantage of the 25' cord.

### Save Time - Convenient tools and accessories

An on-board tool tray helps hold the car crevice tool, round brush, and 15" floor nozzle with 2 brushes. A 2-piece metal extension wand and 1-piece metal air control handle help get into tight spaces.

### Breathe easier: 4 levels of filtration

To help clean surfaces and air, there are 4 levels of filtration: foam; cartridge; exhaust; and pre-filter.

	Package Weight:	25 lbs.
	Warranty:	1 Year – Parts & Labor

## The Ultimate Time Machine

### Sweep 10X Faster - Quietly clean large indoor/outdoor hard surfaces

Say goodbye to your broom, and sweep 10 times faster with the rugged 32-Inch Wide Area Sweeper. It picks up leaves, metal shavings, small pebbles and pretty much everything in its path.

### Rugged Design and Compact Storage

The corrosive-resistant plastic housing is designed to withstand the rigors of outdoor work, and the push/pull handle folds down for easy, compact storage. To clean, just hose down the unit.

### Easily accommodate different surfaces

4 levels of brush height adjustment easily accommodate different surfaces and types of debris for pick up. The debris compartment hopper is removable for easy emptying.

# High Velocity Air Mover

## The Ultimate Time Machine

Specifications	Model:	SC6053A
	Power:	5 amp
	Motor:	.5 HP
	Velocity (ft./min.):	3800/ 3350/2700
	Speeds:	3 levels
	Switch	Front mounted
	Handle:	Attached to unit
	dB:	70
	Stackable:	Yes, 4X (for storage & transport)
	Cord:	25'
Packaging	UPC:	0 23169 13731 8
	Product Weight:	20 lbs.
	Package Dimension:	L17.7" x W17.3" x H17.5"
	Package Weight:	24 lbs.
	Warranty:	1 Year – Parts & Labor

### Time Saving Power

Maneuverable and powerful, this High Velocity Air Mover offers the performance and durability to dry carpets and floors fast.

### Ergonomic One Touch air velocity control

The 3-speed control switch lets you adjust the air speed to meet your drying needs from a maximum air velocity of 3800 ft./min. down to 2700 ft./min.

### Compact stackable design for easy storage

The stackable design and small footprint make it easy to store up to 4 High Velocity Air Movers in a small closet or the corner of a room.

# High Velocity Air Mover with Telescopic Handle

<b>Specifications</b>	<b>Model:</b>	SC6054A
	<b>Power:</b>	5 amp
	<b>Motor:</b>	.5 HP
	<b>Velocity (ft/min.):</b>	3800/ 3350/2700

## The Ultimate Time Machine

### Swiftly cleans high-traffic areas

This 28" cleaning path, self-propelled brush scrubber with direct-drive provides straight tracking on slick surfaces for effortless operation.

### Cover up to 44,000 sq. ft. per hour – Time Efficient

Swift, effortless results. Just set the adjustable solution rate and this walk-behind machine performs the work, leaving the floor clean, dry and ready for use.

### Convenient operation

The squeegee and brush controls are activated by the conveniently placed foot pedals. The on-board charger plugs in for charging wherever you are.

### Less Down Time – Up to 8 hours between charges

Clean malls, grocery stores, cafeterias and large areas for up to 8 hours running.
