**Comments:**

EPAC has done several environmental remediations for us. They include chlorinated solvents in ground water, petroleum in soil and ground water and mold remediation following a flood. I would use EAPAC again without any hesitation.

Comments:

For over six years, Kraftwerk recovers seat cushions for the Fort Lauderdale-Hollywood International Airport. This vendor does not work on-site. He picks up the torn cushions and returns them upon completion. The quality of their product is above satisfactory and we will continue to use this vendor.
