

G.L.I.D.E.S.

Sheridan Park Elementary

G.L.I.D.E.S. Presentation

December 5, 2007

Sheridan Park glided
through project based
learning!

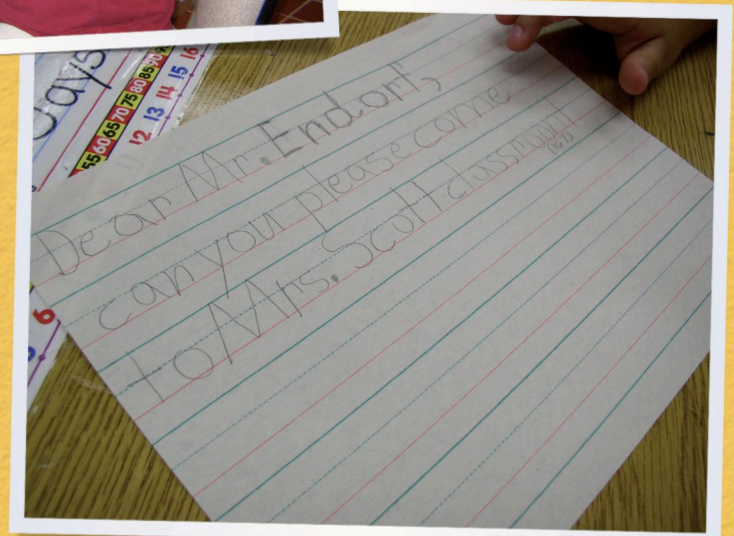

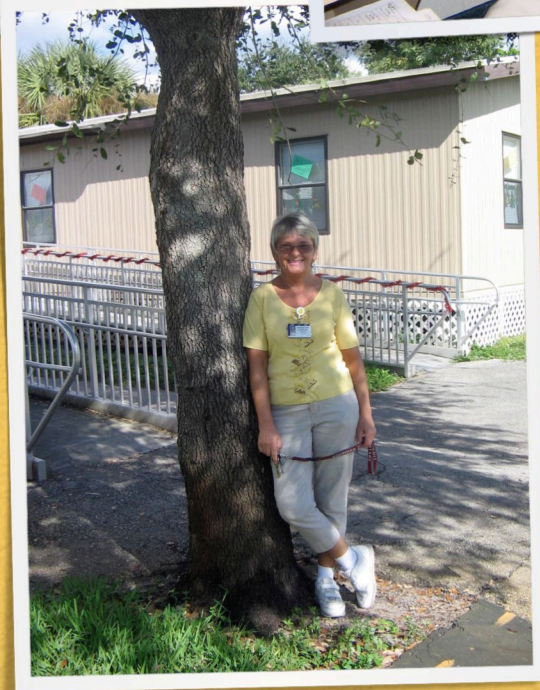

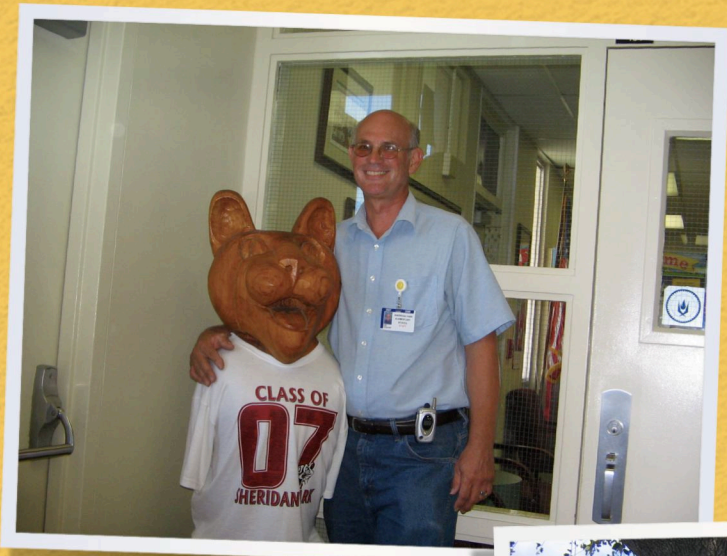

We conducted research . . .

We listened to experts . . .

We used a variety of technology . . .

We worked as teams to accomplish goals...

Lego Robotics Team

The team applied their newly learned knowledge . . .

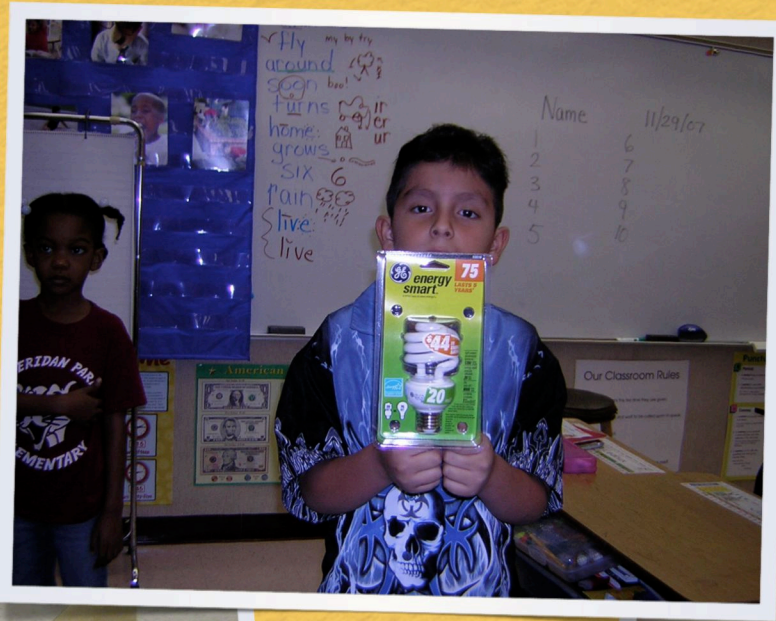

We all have to do our part to help the environment . . .

We've shared our knowledge . . .
We've changed our behaviors . . .
We've done our part . . .

Now what will
you do?

Thank you for coming!
Thank you to all our participants!
