Instructional Strategies - <i>Briefly describe below how you will remediate students who are struggling. Please include resources and grouping/structures that will be utilized and how the students will be formatively assessed.</i>	
Answer:	
Time on task <i>(Time Discussed)</i>	30 Minutes

E - Enrichment	Focus Question: How will students who have demonstrated early proficiency be provided enrichment?
Instructional Strategies - <i>Briefly describe below how you will enrich students who are demonstrating mastery. Please include resources and grouping/structures that will be utilized and how the students will be formatively assessed.</i>	
Answer:	
Time on task <i>(Time Discussed)</i>	30 Minutes

Professional Development	Focus Question: What am I implementing in my school and classes that make me more effective in my position? Please elaborate on any changes made in your practice that directly resulted in student achievement.
Answer:	
Time on task	2 hours

Total Number of Hours for This Submission 4 hours + 1 hour implementation = 5

NOTE: 1 hour of implementation for every 3 hours of learning. Ex. 32 hours in learning + 10 hr implementation= 42 Inservice Points

CARE cycles begin on PSD Days (3 hrs. of learning) equaling 8 cycles. All participants will receive 42 hours by the end of the year if they achieve 80% Mastery in PLCs.
