- III. **Technology..... Ms.Soeder**
- IV. **DBES Data.....Mr. Gerlach (5 minutes)**
- V. **Title One UpdateMs. Soeder**
- VI. **SAF.....Ms. Soeder**

School Advisory Council Meeting
October 24, 2018
3:30 p.m.
Media Center

Agenda

Amanda Soeder, Raihaana Ali, Denise Blackard, Bridget Cecil,
Chris Perry, Amy Major, Dr. Cooper, Drew Gerlach

I. Welcome/IntroductionMs. Soeder
New location for outdoor classroom- HVAC or over by the portables for second location. First location was not approved due to drainage issues.

Butterfly fence- a tree with a root is causing difficulties. The tree is holding up this project. Apply to have a tree cut down and then we have to agree to plant more. Red tape to get tree cut down.

Furniture-2 dates for install. Hopefully by the holiday season. Tables and Easels for all classrooms. Grade level decisions for other materials.

Academic camps- literacy. This year students are grouped based by standards using school city to determine levels and needs to assess children. These camps began in October and will run through November. Additional camp begins in January. (reading for 3rd, writing for 4th and 5th). Academic camps are encouraged, and the school is offering aftercare/ride share setup to get the children who really need to be in academic camps an opportunity to attend.

School city is proving to be beneficial for a motivator for teachers and most importantly students.

II. SAC Composition..... Ms.Soeder

We need additional members to join SAC. Work with grade levels to do a performance during SAC to get K,1,2.

Bylaws were reviewed, membership was discussed and areas lacking need recruitment as well as general membership increase needed.

Voted on current years Officers and Officers approved as well as roles and responsibilities.

Sac ByLaws were ratified on 10/24/18 at 4:00 p.m.

III. Technology..... Ms.Soeder
Communication- updated phone call or text message for parents to choose how they wish to receive communications. Website is updated and is improved. Tweet out important and fun activities 3 to 4 times a day. No twitter account needed.

IV. DBES Data.....Mr. Gerlach (5 minutes)
Academic camps- literacy. This year students are grouped based by standards using school city to determine levels and needs to assess children. These camps began in October and will run through November. Additional camp begins in January. (reading for 3rd, writing for 4th and 5th). Academic camps are encouraged, and the school is offering aftercare/ride opportunities to get the children who really need to be in academic camps.

V. School city is proving to be beneficial for a motivator for teachers and most importantly students
