- Turnaround Arts Information
 - Students and staff enjoyed seeing the play at the Broward Center for the Performing Arts and parents were provided the opportunity to be bused down to the Center and enjoy seeing the play.
 - Local Artists have been coming into classrooms to model the arts through the curriculum for teachers
- Title I
 - 2018-2019 Annual Title I School Parent Engagement Survey Results were discussed. Mrs. Tyler explained that the number of surveys submitted online weren't calculated in its entirety, but that the hardcopies provided a more detailed calculation. The parents that were in attendance were that the survey results depicted a low number of parents that completed the survey and the report findings. Parents offered suggestions on us handing out more Title I flyers at the beginning of the school year, although additional booklet are always located in the front office because some parents overlook them. (Suggestion: Keep a copy of this year's survey to discuss with parents at the beginning of the next school year so that they'll be prepared and know exactly what information the survey is referencing.)
 - SIP (2019-2020) was discussed and parents were asked if they had any input for upcoming school year. The parents that were in attendance stated that they agreed with what was already on the SIP Plan and the changes that were added for the food pantry, open house and the holiday discussed earlier in the meeting. Mrs. Tyler told the parents that hard copies of the SIP Plan could be made available to them upon their request.
 - Title I funds were discussed to see if they can be used to purchase student agenda books for Parent/Teacher Communication. Parents agreed.
 - Parents were asked if they would like to add any other information or if they had any other concerns. None of the parents addressed anything further concerning Title I.
