1. Welcome – Ms. Oppy welcomed everyone to the meeting.
2. Review of Minutes – Ms. Campbell motioned to accept the minutes as written, Ms Hood seconded the motion.
3. Old Business – We still need a quorum to vote for the SAC funds to be used to purchase phonics kits.
4. New Business
 - a. **Presentation “How to help your student at home”**– Ms. Rant presented home based strategies to help manage behavior at home and creating routines. She discussed creating a positive environment at home by defining expectations and expected and unexpected behaviors. ABC’s of behavior – antecedent, behavior and consequence. All behavior is a form of communication. Functions of behavior – MEATS (medical, escape, attention, tangible and sensory). We can change behavior by teaching replacement behaviors. It is

important that we respond to behavior not react to the behavior. Ms. Rant shared resources for the parents and had fliers and handouts for the different resources.

- b. Smart Bond Update – Helen Voyer and Spiros Dimitropoulos from the district presented information about the Smartbond process and the projects for Atlantic West Elementary. Primary Renovations – building envelope improvements, Media Center improvements, HVAC Improvements and Fire Sprinklers with a total budget of \$2,767,000. Single Point of Entry – Atlantic West meets district requirements. School Choice Enhancements that we have received already – facilities machines, folding chairs, front office furniture and digital marquee.
- c. Title I Parent seminar Report – Ms. Rocio Dejo reported about the Title I parent seminar. She discussed the different speakers who spoke at the seminar and the messages they delivered.
