Meeting

1. Welcome – Ms. Oppy welcomed everyone to the meeting.
2. Review of Minutes – Ms. Puia motioned to approve the minutes as written, Ms. Oppy seconded the motion.
3. Old Business – We did not use the SAC funds to purchase the Phonics Kits. It was proposed that we order additional books for our reading resource room from Pioneer Valley for guided reading. The kit includes 6 copies of each leveled text with lesson plans. We would like to order the 5th grade kit and then purchase additional kits starting with Kindergarten. We voted to see to spend the SAC funds on these materials and the vote was unanimous yes.
4. New Business
 - a. Ms. Luckenbach presented the Title 1 Parent Survey. She reviewed the results of the Parent and Family Engagement Survey. Overall our percentages did decrease from last year's survey. Based on our

results, Ms. Luckenbach reviewed the current School Compact/Family Engagement plan. Our number of parents that participated in parent trainings increased this year from last year. We added an additional museum night for Black History. Ms. Luckenbach asked for ideas to help us overcome our barriers. Ms. Oppy suggested having a parent academy in the morning for the parents to learn the instructional strategies that teachers are using in the classroom. Ms. Campbell stated that the morning could be difficult for working parents and suggested surveying parents asking which times in the day would be best for them to attend trainings. Ms. Oppy asked the parents, "How do the teachers communicate to parents?" Ms. Campbell said that she does not see much communication in the agenda. Ms. Puia suggested using texting apps to communicate to the parents. At the next SAC meeting, we will be setting our dates for next year's SAC meetings for the 2019-2020 school year. Ms. Oppy suggested adding to the student responsibilities on the school compact: Students will work hard to be in my seat and ready to learn by 8:00 am. Ms. Luckenbach asked if any changes need to be made to the funding of the Title 1 plan. Ms. Dittmeier made the motion to approve the use of Title one funds to purchase the agendas, Ms. Precious seconded the motion.
