SIP – Developing

Mr. Duhart shared the activities and goals of the SIP. Each plan and process was explained. Attendance Plan, Positive School Wide Behavior Plan, RtI meeting dates will be uploaded. The RtI process was explained. The School Counseling Plan and a Social Emotional Plan have been added. Finding resources and matching the student needs to resources is the goal. The Douglas Zone received additional mental health support. Our support Counselor is Ms. Davis. We have a school psychologist on the days that Dr. Franzese is not here. The website for resources is browardprevention.org. If families need resources or assistance please contact Mrs. D'Angelo and Ms. Davis.

FACE Plan is the sharing of information with the community.

The district website platform has been changed. Our website will be updated. Principal's Newsletter will include this information.

At our next SAC meeting the details of our Attendance Plan will be shared, including the number of tardies and attendance. We will focus on Kindergarten and First Grade data.

For professional development, our PLC's have begun. Our grade level teams get together with Mrs. Seltzer and Diane Jordan to collaborate. Teachers study our student data and their current teaching practice and work towards improving student achievement.

Questions, concerns, and ideas:

A question about substitutes. Mrs. Seltzer explained the process for Broward County substitutes and the procedures they follow.

Mr. David Hammer was voted our Teacher of the Year. Our Employee of the Year is Mrs. Michelle Martinez. Congratulations to both of our well-deserving Riverglades' family members.

The Halloween Parade has been a long-standing tradition at Riverglades. As a result of Security concerns, there will be a different procedure for Halloween this year.
