SIP – Developing

Mrs. Seltzer explained how we are utilizing our part time teacher, Mrs. Mann. The teacher provides reading pull-out support in second through fifth grades. She has been trained in a variety of programs. Our reading data was used for the grouping of students. Our ESE teachers have been trained in Orton Gillingham and a new fluency program. They are also using Visualizing and verbalizing.

Mr. Duhart shared the FACE Plan for 2018-2019. A discussion about Family and Community Engagement included our traffic issues, encouraging students to ride their bikes to school. We discussed the procedures that work as well as some of our challenges and where we could strengthen engagement. A calendar link for all events was suggested. Volunteers in the classrooms and chaperoning field trips was also discussed. Opportunities for extended family to participate in school events was suggested as well as using school funds for beautification.

Questions, concerns, and ideas: These were included in the suggestions for FACE.
The December SAF and SAC meetings have been cancelled.

Meeting adjourned 10:46am
