**PTA-** Clara Rapp – PTA The Zone was successful even through the “weather hiccup.” 840 children participated in the event. It was a great turnout. Parents were turned away at the door the day of the event.

Pam Dodson – PTA treasurer touched based in the revenue portion of The Zone as PTA will need to wait on checks to clear and all online payments to come in. As some (very few, a handful that we know off) parents do to the “weather” have requested a refund and there is no way for PTA to know if online payments might have a stop payment order on them. “PTA is ironing out the wrinkles and learning from this brand new event and how to make it better for next year.”

Mrs. Rapp added that the revamping of the event for the most part was successful and added many sponsors and even had to turn away sponsors since the event had already occurred. PTA invested in some new stuff this year that they will be able to reuse for other events and again for next year and years to come. The company that provided the inflatables was very professional and fun.

Ms. Nissen – congratulated PTA for the large list of sponsors.

Mrs. Rapp – thanked the largest sponsor Gekko Park – thanks to their generous donation PTA was able to cover the cost of the teacher incentives and The Zone t-shirts.

Ms. Manning - congratulated The Zone committee for all their hard work.

**Future Business -**

Ms. Nissen added that Ms. Watson and herself attended “Marzano IObservation Training” they learned a lot of tips and have a lot of advice for teachers.

History Fair - Ms . Beitz announced that yearbooks are on sale on line until Thanksgiving.  
Rock shirts are in finally – she ordered them in Sept.  
Cambridge t-shirts are the next goal for Ms. Beitz.

Next SAC meeting will be December 12, 2018

Discussion - Block Schedule clarification was brought up by Mrs. Rapp.  
Question, why did Tequesta not feel the block schedule would be a good idea for our students?  
Answer – by Ms. Passman. After attending the meeting and understanding more about block schedule. We did not want to rush into block schedule. There is not enough data to evaluate how it works. We are waiting for a year to accumulate data by visiting schools who used block schedule this year and see how it worked out for them.  
Another big concern we learned at the District meeting was that teachers might lose jobs. There are fewer classes to fill in the block schedule.

SAC meeting was adjourned 8:41am
