SAF Meeting Minutes
October 8, 2018**

Welcome

Report from North Area Advisory

The introductory meeting was held in August. There are a few open positions one of the positions is parent-at-large.

There was a guest speaker to talk about safety. Mike Dorn from Safe Haven International say they are in the process of evaluating 234 schools and just completed phase 1 where the focus was on cameras. Phase 2 started the week of September 17, 2018 and will focus on how to prepare for all codes.

There are also delays with volunteers getting their approval and badges. The district is working on fixing the issues.

Approval of Minutes

There were no minutes to approve. October 10, 2018 is the first meeting.

New Business

The walk gates are not closed at a consistent time.

The website needs to be updated with pertinent information for parents. For example, college fair information, program offerings, and other information. Some suggestions were to put slides on the website with the information.
