Broward SEL Standards Instructional Implementation

Identify the strategies that your school will use to align with Broward County Schools Social and Emotional Learning Goals.

How does your school explicitly teach and/or integrate the Broward County Public Schools Social and Emotional Learning Standards in the school and the classroom to ensure students are developing social and emotional skills?

Goal 1: Develop self-awareness and self-management skills to achieve school and life success.

A. Identify and manage one’s emotions and behavior.	Strategies: Based on the Social and Emotional Guidebook, teachers will write the day’s agenda on the board. Students feel safer when knowing what to expect. LEAPS
B. Recognize personal qualities and external supports.	Strategies: Bases on the Social and Emotional Guidebook, teachers will encourage students to use support services (counseling, psychologist, social worker...) throughout the year recognizing the office hours.
C. Demonstrate skills related to achieving personal and academic goals.	Strategies: Teacher will use the District’s Character Education Program and have students identify three characters strengths as their goals for the year.

Goal 2: Use social-awareness and interpersonal skills to establish and maintain positive relationships.	
A: Recognize the feelings and perspectives of others.	Strategies: Students will attend Humanity Project assembly that shows that all students are valuable.
B: Recognize individual and group similarities and differences.	Strategies: Students will participate in the NED: Kindness Adventure assembly
C: Use communication and social skills to interact effectively with others.	Strategies: Start With Hello Program
D. Demonstrate an ability to prevent, manage, and resolve interpersonal conflicts in constructive ways.	Strategies: Teachers mediate with students and School Counselor share conflict mediation skills during classroom lessons. Peer mentoring (Astro Pals) also support students in constructive ways.
Goal 3: Demonstrate decision-making skills and responsible behaviors in personal, school, and community contexts.	
A: Consider ethical, safety, and societal factors in making decisions.	Strategies: District and Schoolwide Safety Procedures shared with students by administration and teacher.
B: Apply decision- making skills to deal responsibly with daily academic and social situations.	Strategies: Teachers will model school procedures and expectations. They will also provide time for students to role play different scenarios which will assist them in making responsible decisions.
C. Contribute to the well-being of one's school and community.	Strategies: Teachers will share and review the School-wide Positive Behavior Plan. They will model the proper behavior and interactions that are expected to occur with each other and when they are in the community especially, with those less fortunate. Students will also be encouraged to use their character traits when communicating with those in school and in the community.
